Cell : 01756 965129

Tiny Tots

Tiny Tots school was founded in 1974 by Mrs. Faizi Chowdhury and Ms. Margot Enander. The school is known for its friendly and happy atmosphere.

We provide a secure and stimulating learning environment with staff who are highly qualified and motivated.

We aim to provide an excellent education using English as the medium of instruction.

We provide Digi Class facility to our students; it is an ICT-based solution that combines state-of-the-art hardware with syllabus-compliant, multimedia-based interactive content. Digi Class empowers our teachers to transform traditional blackboard-and-chalk classrooms into interactive sessions. The Digi Class multimedia content enables our teachers to better explain complex concepts, due to which our students are able to retain information for a longer period of time.

We encourage the children to become enthusiastic and independent learners with an international outlook. We seek to make it possible for each student to fulfil his or her potential. We meet the children's various needs: academic, social, physical, emotional and cultural so that they will develop as well rounded individuals.

This is how we do it :

- provide a safe and caring atmosphere
- address the individual need of the children
- teach through themes and activities
- encourage all-round creativity
- stimulate and nurture curiosity
- foster friendship respect and understanding
- give regular presentation of children's work and idea through displays, handwork, assemblies, cultural programs and exhibitions.

Tiny Tots
